Part 90 - Private Land Mobile Radio Services, Replacement of Part 90 by Part 88 to Revise the Private Land Mobile Radio Services and Modify the Policies Governing Them and Examination of Exclusivity and Frequency Assignment Policies of the Private Land Mobile Services, *Notice of Proposed Rule Making*, WT Docket No. 98-182, RM-9222, FCC 98-251 (rel. potential modification of the rules governing the private wireless community, the LMCC feels compelled to comment on this proceeding. However, due to the impending holidays and the fact that many members of the LMCC will be unavailable due to travel, the LMCC respectfully requests an extension of time until January 18, 1999, to file comments. This additional time will allow the LMCC, and the rest of the private wireless community to comment in a meaningful way regarding these important issues.
